Thank you to all who helped out at the TCS Bazaar!

A huge thank you to the team who led the Bazaar this year - Krista Westerneng, Casey Heppleston, Christa Kers, and Kristen Woudenburg - as well as the wonderful army of helpers who did such a great job of running this event.

From the parking lot helpers to the creative design team (all the floral arrangements) to the ones who led the kids games, food section, set up for the auctions and the baked goods area - it was truly a wonderful event and we are so thankful for all your hard work!! PITCH OPPORTUNITIES...

At TCS we have a board mandated program called PITCH, which requires all families to “Pitch In” by committing 25 hours of volunteer service each school year. A reminder to those families who still need to fill a form out to please send that into the office ASAP as we are missing quite a few forms. You can find a PITCH form to fill out under the “Admissions” tab on the TCS school website. Each hour must be recorded including task and date completed (this is to abide by guidelines set out for charities/non-profits). You can report your hours by emailing timothypitch@gmail.com or by filling out a PITCH paper form in the TCS office. Thank you to all those who PITCHED IN to make the Bazaar a success for Timothy. Please submit your volunteer hours to us as soon as possible!

Eggs... 'for GOOD'

Eggs... 'for GOOD' is excited to announce that they are opening up business this week! There will be 5 dozen organic eggs (collected at TCS) available for sale this week to the TCS community! Each week there will be either 3 or 4 dozen eggs available for sale, from now until the end of the school year. Eggs will be sold by the Grade 6 class on the TCS Facebook page and will be sold to the **highest bidders**... bids can be posted in the comment section below the Facebook post. Bidding will close **Thursdays at 12pm** each week. The eggs can be paid for and picked up any time on Friday. Starting bid is **\$8/dozen** (minimum bidding increment of \$1).

This week, there are **5 dozen** eggs available!

A reminder that 100% of the money raised by our business will be given to a charity or a “community in need” that will be carefully chosen by the Grade 6 class. Thank you for your support as we strive to make a difference one EGG at a time!

A Note from the Grade 6 Class...

Our grade 6 project this year is all about 'TRADE'. We have learned that there are two motivations behind trade. We talked about Communal Good and Common Greed. We think most humans fall under common greed. Then we started to think about how we -as a class- could make a business for communal good.

We had to think about what we could do to make money flow in one year. We decided to pick eggs- something people need and will come back for on regular basis. We then made a proposal to the city and were given permission to have 10 hens on the our school property! The eggs we are auctioning today are organic and are from free-range chickens. All of the money we raise with this business will be given to people in need. We are so excited to see how we can change the lives of people one egg at a time! We hope you enjoy your eggs!

Development Update:

A reminder about the upcoming Society Meeting this Thursday evening beginning at 7pm. Membership fees were due by the end of October, however we have had a few more come in last week & we will honour those, thank you. We look forward to seeing you on Thursday evening. We would like to thank you for your dedication and your ongoing commitment to the bright future at TCS. Coming together and partnering with you inspires us all.

Marketing Update:

We had an amazing day this past Saturday at the Annual TCS Bazaar where the community came together & the volunteers poured their time and effort into making it a great day! The hallways were bustling with activity, the kitchen was constantly on the move and the Silent and Live Auction drew a large crowd! It seemed to be a fantastic day with great success. Thank you for all the bids - both to those who walked away with gifts and to those who attempted to. It all works towards making our Bazaar a huge success.
