

Tuition Fee Schedule (2021-2022)

Timothy Christian School, Barrie

Dear Family,

Since tuition fees only cover about 86% of our school's total operating budget, we rely on community donations, church support and fundraising initiatives to generate the additional funds needed to cover our total operating budget. Everyone's participation in such initiatives helps us meet the costs of our Annual Operating Budget.

This means that every family is supported financially through the generosity of many donors and through successful fundraising endeavors! What a blessing.

Donating to Tuition Assistance Fund:

Families who have been blessed with financial resources are urged to consider a contribution to the Tuition Assistance Bursary Fund. This fund is used to assist families who find themselves struggling to meet the tuition costs of sending their children to Timothy as a result of job loss or other temporary financial circumstance. All contributions are considered a donation and may be eligible for a donation tax receipt at the end of the calendar year. Families are truly blessed by the assistance granted through this program! If you would like to contribute, please enclose a separate cheque and indicate "Tuition Assistance Fund" on the memo line. Thank you! ☺
