If you are a member of the Unity or TCS School Societies, you will have received the Society Report in preparation for next Thursday's meeting here at TCS in the gym at 7:00pm. This meeting will include the budget for next year, the Head of School report, updates on the campaign, amalgamation, and the building project. A staff presentation on the Entrepreneurial Mindset initiative will also be part of this evening.

If you aren't a member, you are also invited to join us for the meeting to hear updates. Each family that attends can claim 2.5 PITCH hours.

New Staff Hired for September 2026

The HR team has had a busy spring preparing for student growth and staff changes. We welcome the following new staff members to Trinity Christian School JK - 10 this fall:

- **Andy Osmond** has been hired at the high school. Andy is a graduate of U of T and Nipissing. He comes to us with five years of experience at Barrie North Collegiate Institute in Barrie. Andy has a deep Christian faith and a strong rapport with students. He will be a blessing to our 9 - 12 (also teaching our intermediate French as well).
- **Buffy Andrews** is replacing Yvonne Fraser as our JK - 12 music specialist. She comes to us from Alliston Community Christian School, where she was the band/music specialist in grades 5 - 8 for the past four years. She is a veteran teacher who has a strong Christian faith and a deep love and passion for music.
- **Deanna Shenimen** has been hired for a full time position in the elementary school for September. Deanna has done a wonderful job in our grade five this year covering maternity leave, and a great job covering for a grade 8 short-term LTO this spring. She has many years of experience in Christian schools, and we welcome her to our team.

Trinity Christian School JK - 12 commits to a bus stop in Bond Head for September 2026!

The board has now committed to a *bus stop in Bond Head (88 and 27) starting September 2026!* We have had much interest in our high school and we want to accommodate interested families from the south.

Please pass on to anyone you know would be interested in enrolling in Christian high school from the Bradford, Newmarket, and Bond Head areas. We have a bus coming from Bond Head to accommodate those students THIS September!

Battle of the Books 2026 is IN THE BOOKS!

Last Tuesday, your TCS Battle of the Books teams competed against six other schools at People's Christian Academy! Each student was responsible for reading 10 novels and remembering specific details from those books. They work together as a team to answer questions within a time constraint. It is intense and very exciting! Congratulations to all our team members for dedicating most of your school year to reading these books and meeting to discuss. Not to mention the time at home preparing! Timothy 2 Junior Team brought home a banner for first place, as did our Timothy Senior Team! The Championship banners are hanging in our library!

Way to go!!

The Unity Gr 12 Grad Fundraiser Car Wash for this Saturday has been cancelled.

Looking for a Stop Saw for Unity High School

We are looking for a donation or a discounted **Stop Saw** for our High School Shop Program. It is an industry-leading table saw equipped with advanced safety technology that automatically stops the blade upon contact with skin, helping to prevent serious injury. This added layer of protection would significantly enhance our students' safety and confidence as they work with the equipment and develop shop skills. If you can donate the saw OR make a donation towards the saw OR provide this saw at a discounted price, please contact the TCS or Unity office. Thank you!
