Annual Grandparents' Day, Celebration of Learning, and International Food Festival - Wednesday, May 6!

The day starts with our annual ***Grandparents' Day*** event from 9-12:30, when we celebrate the impact/support that grandparents have had on our students' development and faith. We host our grandparents for morning coffee/tea, provide a presentation by each class, provide lunch, and encourage the grandparents to visit classrooms to engage with the students and their PBL projects. Invitations for grandparents will be coming home within the week.

Next is our ***Celebration of Learning*** from 5:30-6:30, where parents and friends/supporters/potential new families visit classrooms to see the students' PBL projects on display and engage in discussions to hear what the students have learned and how this has impacted their faith. It truly is a highlight of the year as we glorify God through the PBL's, in awe of His amazing creation! All students are to attend.

We close the day with our ***International Food Festival***, which is a much-loved event and a wonderful end to the day of celebration. We taste food from the cultures that make up our TCS community. This is an event you will not want to miss. Ticket information will be coming later in April.

As you can see, this is a huge day in the TCS calendar. We will need a lot of help with setting up, serving, baking, cooking, and cleaning up. The sign-up sheet went home with students before March Break to sign up to help with the Food Festival. Information regarding Grandparents' Day will be coming soon. This is a great day to earn your PITCH hours!
