Come let us adore Him...on Thursday, December 14th!

Please mark your calendars for **next Thursday, December 14 at 7:00 for our TCS Christmas program!**

Doors open - **6:30** (parents are responsible for the supervision of their own children until 6:45 when they need to be in their homeroom classroom)

Students ready in classrooms - **6:45**

Concert starts - **7:00** (it is usually about one hour)

Parents please note: The bands and choirs are counting on every student to be present for this event, so please support us by ensuring your student is part of this wonderful evening event at TCS.

Should we have to cancel this evening due to poor weather (seems to happen every 5 years or so) the default/snow cancellation evening will be Tuesday, December 19th at the same time. If we are so unlucky as to have both of those evenings cancelled due to weather, we will default to running the program at a chapel on Friday, December 22nd.

Scrapday 2018 is coming soon!

Scrapday is back; soon to arrive on the 20th of January! This is our 10th year running this event and it has been very successful in the past, raising close to \$5000 for the Student Fund last year alone. It has become a popular sold-out event for Scrappers in the Barrie area and beyond; but we need the help of many volunteers within our TCS community in order to make it happen. We will be looking for people to volunteer their time with set-up on the Friday and helping to run the event on Saturday. We will also need bakers and soup and chili makers, as our homemade food is one of the hallmarks of our event! Look for future notices in the newsletter over the next few weeks to see how you can help make Scrapday a success again this year.

We have had a good response to our appeal for people to join our committee, but are still looking for anyone who might be interested in joining. In particular, we are hoping to have a couple of members who will be able to take over the kitchen portion of the event as this is Catherine DeLenardo's last year at TCS. Please contact Catherine DeLenardo at 705-794-9637 or c.delenardo@sympatico.ca if you are interested or would like more information.

Reptiles Visit the Grade 2 Class!

The grade 2 class welcomed Scales Nature Parks Reptile Rangers. They brought a variety of snakes, turtles and lizards native to Canada. Each student was brave in their discovery and held a Corn Snake. It was awesome to feel their silky smooth scales as they

crawled over arms, shoulders and even around necks. Fun hands on learning with God's creation at Timothy Christian School!
