### Report Cards going home next Wed, Feb 7 at 3:30pm

Just a reminder that the first term report cards go home with students next week Wednesday at 3:30pm. Parent/teacher interviews are set for February 15 for parents who have any questions about the report cards.

### Re-registration for all existing TCS parents starts this Thursday, February 1st

This Thursday, each existing TCS family will receive a re-registration form asking you confirm that your children will be attending TCS in September of 2018.

#### **It must be returned to the office by February 15.**

The TCS board is in the process of drafting a budget for the next school year and a key part of that is confirming if all our existing families are returning. Your help with this process is very much appreciated! We very much look forward to all of our existing families joining us again in September of 2018.

For new families (who just joined us last summer), part of this re-registration confirmation includes a \$300 deposit to come with the re-registration form to hold a place for your child for September.

### When should new/potential families register?... Now is the time!

If you know of a family in your bible study or from your church that is interested in attending TCS in the fall, please let them know that **now is the time to register**.

We have interviewed two new families already last week with another new family interview is set for this Friday.

**Parents please promote our next open house which will be on Friday, February 9th from 9:00 - 12:00.**

### Are there ever wait lists at TCS?

Yes - there are wait lists at times. We try very hard to accommodate all families but there are times when a class size is growing and we may have to start a wait list until there are enough students for an additional class. That is why it is critical for both existing families and new families to register for the upcoming school year as early on in the year as possible. February is the month/best window for existing families to confirm and March/April is the best window for new families to lock in and confirm via an interview. This process allows the board to confirm a budget in April. We will, of course do our best to make it work for families outside of those windows of time but, there is an increasing risk of wait lists as it gets further in the year.

### Bus Updates...where is my child?

Just a reminder to TCS parents, if you are ever at a bus stop waiting for your child wondering where the bus is or if you missed picking your child up at a stop, here are some guidelines we follow:

- You can call dispatch at Sinton Landmark Barrie at any time for an update on where the bus or your child is at 705-721-4008. They can contact the bus driver direct via radio in seconds and update you or arrange another drop off. You will need to inform dispatch of the route number that your child is on.
- If you did not meet the bus at the stop, the drivers are told to keep the student on the bus and bring them back to the school after the route is done. At this time the bus company will call either the principal or vice principal's cell to have us call the parents to arrange a pick up at the school. If, in the rare situation, when both the principal and vice principal are in meetings and have phone's off, the parent can expect the bus to end up back at the school where pick up will be expected. This would be after the entire route is completed which would usually be close to 4:45 - 5:00.
- The school office is open until 4:00 (most teaching staff are still at TCS until 5 or later but are often in meetings). After 4:00 parents should call Sinton direct for updates.

Who do I call for incidents that occur on the bus?

*Students* - all student bus behavior is dealt with by Mr. Berg. Email him direct and he will follow up usually on the day he was informed.

*Bus drivers* - parents please call Sinton direct and talk to the manager (Shannon) for bus driver errors or drivers who missed stops. Since we have a contract with Sinton, the manager deals with driver issues.

*Changing stops/problems with an existing stop* - email the TCS office and we will forward your email to the board representative on the transportation committee to work out an alternate stop. This is a bit of a process and can take a few days or more.

### Organic EGGS available!

The Grade 6 class will be auctioning another **5 dozen eggs** this week for their business "Eggs... for Good"! All proceeds will be put towards a community in need that the Grade 6 class will decide upon in this upcoming term. Please visit the TCS Facebook page and bid in the comment section below the post for one of the 5 dozen available. Bids start at \$8/dozen. Bidding will end Tuesday, February 6th at NOON.

We appreciate your support!
