## Four existing TCS families yet to respond regarding enrollment for September 2018

We are still waiting to hear from a few of our existing TCS families who have not re-registered yet. The deadline was February 15th and families who have not registered at this point do run the risk of being put on a wait list as new families will register with TCS in the next few months and classes will quickly fill up. A reminder from the Finance team that you are considered "registered" if you have both your registration form and \$300 deposit handed in to the office. Both are required for full registration.

### Open house at TCS this Friday, March 23 from 9 - 12

Hopefully this week you will hear our advertisement on Life 100.3 inviting families to come to our open house this Friday morning. We were very blessed with 8 families attending our last open house in early March and look forward to having many more potential families tour TCS this week.

If you know of anyone interested in registering their children at TCS this fall, encourage them to come out and take a tour of the school and register early.

**Now is time to register for new families** as our existing families have had the chance to re-register. Encourage new families to register during the March to early May window to avoid disappointments of wait lists later in June or August.
