From the Office....

First Term Report Cards go home on Wednesday!

Parents, a heads up that your child's *first term report card* will be sent home this Wednesday at 3:30pm with the students. Please take the time to review the comments with your students. Confirm and encourage them in the positives, and inspire and challenge them in the areas that require improvement for the next term. When home and school work together and process the report card comments together - wonderful learning and goals can be set to press forward and grow. Don't miss the opportunity to talk over the comments this Wednesday evening with your child.

New family registration for Fall 2019 starts today!

Please pass on the news to any of your friends from church or people in your Bible study that new parents can start to send in their registration paperwork this week and we will begin to process new families and set interviews. If you know of a potential family, please inform them that the TCS office is now receiving new student registrations. We are blessed with three new family registrations already with several more interested in tours over the next few weeks. We are excited to start interviewing and start welcoming new families to the TCS Community!

THANK YOU!

A huge thank you to the 102 families who have re-registered for this fall at TCS. We will be in contact directly with the remaining current families to see if they will still be enrolling at TCS in the next few days. We will also be asking for any missing PITCH information to complete re-registration for those who have yet to submit it.

The Day of Change - February 12 at TCS

Next Tuesday, February 12 we have invited all the students at Unity Christian High School to join our grade 7 and 8 classes in the gym for an anti-bullying day called "The Day of Change" which will be lead by Brad Young and another YRDSB teacher. The Day of Change is a powerful one-day workshop where youth, teachers, parents/guardians, administrators, counsellors, and members of the community come together to experience for themselves that care and connection are indeed possible in our schools. Participants learn how to break down the walls of separation and loneliness, and create new levels of respect and communication with their peers, teachers, and themselves. The Day of Change has a dynamic impact on the students' perception of how they relate and view differences in each other. A pizza lunch will be provided.

Parent-Teacher Interview Online Booking

In anticipation of Parent-Teacher interviews in a few weeks, we have opened up online booking on "School Appointments On-Line". This should be familiar from the fall. Winter parent-teacher interviews are **optional** (not mandatory like the fall interviews). If parents wish to schedule an interview, or if a teacher wishes to discuss your child's progress, that opportunity is on **Wednesday, February 14** from 4-6pm. Online booking will be available until Friday, February 8.

After that time, any interviews needing to be booked or rescheduled will have to be done through the office. Please check your email for login instructions.

**Yearbook Advertising goal halfway there!**

We need \$540 in order to keep our yearbook production costs down, and to break even...we are halfway there!! We still have room if you would like to place a half page ad for \$130 or a business card size for \$40.

FUN FACT: There are 52 pages in the yearbook... if 52 families purchased Tagline Twenties (this is where you get to leave a special message at the bottom of a yearbook page for \$20), then the year book price would be so low, we'd almost be giving it away!! SO... get your advertising request in soon... the deadline is February 25th!!

**Yearbooks now on sale!**

Yearbooks are on sale now. Order online or send in to the office!
