A reminder that the parent-teacher interviews that follow up the first term report card, are *set for this Wednesday from 4:00-6:00pm*. A reminder that the grade one interviews are delayed for a few weeks due to Miss Duff being off for a bit and Mrs. Warren being in for her until March Break. February Open House this

Friday morning (9am-12pm)

Our second open house of the new year will be this Friday from 9:00am-12:00pm and will also highlight the SK chapel this Friday morning. If you know of any potential new TCS families, please inform them of the open house this week and remind them that **February and March** are the months we encourage new families to register at TCS to ensure they hold a place at TCS for September. We already have five new parent interviews set for the next few weeks! JK is really growing and we are very excited about the inquiries from new families already!

The Day of Change—February 12 at TCS

Tomorrow—Tuesday, February 12—we have invited all the students at Unity Christian High School to join us at TCS, along with our grade 7 and 8 students, for a full day in the gym going through an anti-bullying day. It is called “The Day of Change” and will be lead by Brad Young and another YRDSB teacher. The Day of Change is a powerful one-day workshop where youth, teachers, and administrators come together to experience for themselves that care and connection are indeed possible in our schools. Participants learn how to break down the walls of separation and loneliness, and create new levels of respect and communication with their peers, teachers, parents, and themselves. The Day of Change has a dynamic impact on the students’ perception of how they relate and view differences in each other. A pizza lunch will be provided. The grade 7 and 8 teachers sent home a permission slip with more information last week and this was to be returned today. Please make sure to return it tomorrow morning if you have not done so already. **Note: This event will not run if the buses are cancelled.**

Highlights/Summary from the February Board meeting:

1. The spring society meeting is an important transition point for the TCS Board of Directors. At this meeting, exiting board members are replaced by the new members who are voted in. With this transition approaching we are asking that you prayerfully consider individuals who may be a good fit for the TCS Board of Directors and submit any names to kristawesterneng@hotmail.com by March 8, 2019. Thank you for your consideration!
2. The TCS Policy committee presented the revision of the draft Family Values Statement based on the feedback from the Society. The board was presented with a summary of the feedback that came in. Board to discuss again at the March meeting.
3. Community feedback meetings for the new Strategic Plan are planned for April. Your attendance and feedback would be appreciated. We hope to publish those April dates in the newsletter within the next week.

Yearbook Advertising goal halfway there!

We need \$540 in order to keep our yearbook production costs down, and to break even...we are halfway there!! We still have room if you would like to place a half page ad for \$130 or a business card size for \$40.

FUN FACT: There are 52 pages in the yearbook... if 52 families purchased Tagline Twenties (this is where you get to leave a special message at the bottom of a yearbook page for \$20), then the year book price would be so low, we'd almost be giving it away!!

SO... get your advertising request in soon... the deadline is February 25th!!

Yearbooks now on sale!

Order your Yearbook online! Go to ybpay.lifetouch.ca and enter the Yearbook ID Code: 13034519. The order deadline is **April 16**.
