### From the Office...

#### Still Time for New Families to Register for Next Year!

If you know of a family that is still considering registering their children at TCS for September 2019, please inform them that there is still time! We are still interviewing new families right up to the end of this school year. The last day of school with the students will be on June 21. The last day the office will be open before the summer break will be on June 28. The office officially opens again on August 14 to start the new school year. We still had two potential new families visit us this morning for the June open house and have had many new parent tours over this past week. Mr. Berg does do family tours throughout the summer months when requested if you know of anyone moving to the area.

#### A New Staff Member at TCS this September!

We were blessed to hire Jenn McBride last week and will add her to our staff team at TCS in a Teacher Assistant role starting in September. Jenn is a member of Emmanuel Baptist Church and has served us faithfully on our EA supply list over the past few years. Jenn comes highly recommended by her references who talked about her being a great team player, having a good rapport with students, and a having a deep and mature faith in God.

#### Thank you...

A huge thank you to those teachers and EA's who applied for the recent TCS positions who did not get an interview. We were very blessed with a strong short list of candidates to choose from who had supply or LTO experience or very good experience overall. We very much appreciate all of those who showed interest in these positions.

#### Keeping Mrs. Goodnough in Prayer

Mrs. Goodnough will have follow-up surgery from a previous health issue on Tuesday, June 11<sup>th</sup>. Mrs. Nelson, a long term supply teacher at TCS will step into the grade 4/5 class for the rest of the school year. We hope to see Mrs. Goodnough on the last day of school and she will be at school for the teacher wrap-up days as well. We wish her much strength with her surgery and will keep her in our prayers.

#### Bus Patrollers trying out Jack's Urban Jungle in Barrie!

In place of Wonderland this year, our hard-working bus patrollers will be spending some quality time at Jack's Urban Jungle this Wednesday in Barrie for three hours of pure fun! We have often thought of passing on the long bus ride (fighting cottage traffic) to and from Wonderland over the years and this year, with the addition of Jack's Urban Jungle just on Mapleview - a mere 5 minutes down the road - we felt it was a good time to make the change. Students involved were given a heads up to this possibility at the start of the year. A huge thank you to our bus patrollers for all their hard work this year keeping things safe on our buses! We appreciate you!

**Reminder: All TCS uniforms need to be returned to Mrs. Goodnough as soon as possible. They DO NOT need to be washed. Thanks!**

**Dress Code Reminders for Students**

A reminder, parents, that we need your support with student dress code at TCS. Shorts do have to be a certain length and we want our students to avoid wearing tattered or torn shorts or jeans as they can be see through and that is not appropriate. That is under the 'modesty' area of the dress code. Thank you for your support on the home front, parents... we appreciate it!

### **Completing & Reporting Your Family PITCH Hours!**

Currently we have still a number of families that have partially completed their required 25 volunteer hours or NOT REPORTED any completed volunteer PITCH hours for this school year. Some of this may be that you have just forgotten to report your hours to us. We encourage you to finish strong and ***find opportunities to get your hours completed!*** If you have completed your hours but not reported them, please record and send your hours in to [timothypitch@gmail.com](mailto:timothypitch@gmail.com). This will help our committee to close out the 2018/19 school year in a positive manner. It is a lot of work calling families at end of year, so please do fulfill your commitment to the school. Upcoming events to get hours include: Grass Cutting around the school; ask your classroom teacher if they need help with anything to close out the year. REMINDER: You may report 2.5 hours per family (not per person) for attending the Spring Society Meeting!
