Board Reflections from the February Meeting

- The Board spent a significant amount of time reviewing long term HR planning (staffing) for 2020-2021 year
- The principal presented and the Board reviewed the family/student numbers and possible classes from our January re-registrations for September 2020. Thank you TCS families for being so prompt! The more proactive the Board can be with student numbers, the sooner we can hire and put the best teachers in place for next year.
- The Board began planning for the Spring Society meeting which is on May 28
- Transportation Committee started contract negotiations with our busing company. Often the goal is a multi-year agreement to stabilize cost.

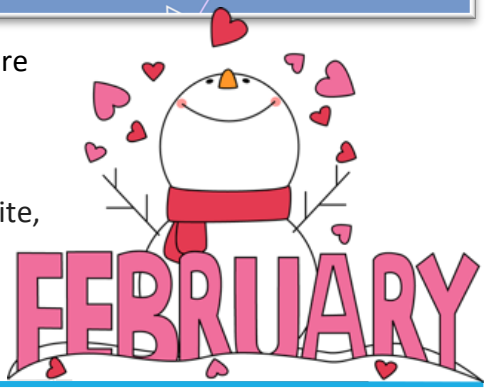

Employment Opportunity

With the retirement of Mrs. Pearson at the end of this school year being announced in the newsletter in January, TCS is now taking resumes for a permanent part-time JK position until this week Friday, February 15th. Interested candidates can send a full resume with references to the attention of Mr. Berg at the TCS office. Interviews will take place on February 27th and our plan is to hire for the JK position before March Break.

Red, White and Pink Day!

Roses are red, Daisies are white… Come to school dressed in your red, white, and pink outfits on Friday, February 14th for Valentine's Day!

"I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well." – Psalm 139:14

Rental Camp this Summer at TCS

Throughout the months of March and April, you will see a banner on our fence by Essa Road advertising summer camps at TCS. A company called Brick Works Academy will be renting one of the classroom wings at TCS over the summer and running Robotics, Lego, YouTube video producer, and 3D Printing & Design programs from the end of June to the end of August at the school. Brick Works Academy runs summer camps all over Ontario and are coming to Barrie (at TCS) this summer. As part of the rental agreement, we have allowed some minimum advertising like a banner on the fence and a line or two in the newsletter informing parents that flyers are in the office (soon). Rental opportunities at TCS like the summer camps, sports teams, and the church on Sunday all help *significantly* to keep tuition reasonable as it allows us to take in alternative sources of revenue that help keep tuition from having to cover all operating expenses. For more information, visit https://brickworksacademy.com/barrie-summer-camps

Extra Project Planning Time on February 10th and 14th

Each of our classroom teachers will be getting some extra planning time on February 10 and 14 as they dig deep, apply some of the feedback from the PBL coaching they received this week and plan out their class projects that will all be presented on April 23 at our Celebration of Learning Evening. One of our very experienced wonderful supply teachers will be stepping in for a few hours on those dates so the classroom learning does not miss a beat for the above dates!
