WEEKLY NEWSLETTER

From the Principal …

Re-registration for existing TCS families for September 2022 has started!!

Last Friday our existing TCS families were asked to re-register their children and confirm their enrollment in TCS for September 2022 (Parents, please see Friday's email with instructions). TCS families will have until *next Friday, February 4th to re-register and hold their child(ren)'s spot for September.* After Friday, February 4th we begin to interview new families and accept them for enrollment for September. Please note we do have waiting lists for some of our classes so we encourage our families to confirm re-registration. Our Finance Committee needs to know our re-registration numbers to assist in budget planning for next year. *We can't count a family in the projected numbers until the re-registration application has been completed online, and the PITCH form and $300 deposit have been received by the office.*

If any of our families have questions about next year feel free to contact Mr. Berg (rberg@timothychristianschool.ca). We are very grateful for your dedication and commitment to TCS and look forward to having all our families return in September!

TCS taking resumes for supply Educational Assistants and Teachers for our supply list

TCS is presently taking resumes for both EA's and Supply Teachers to add to our supply list. As with many organizations in Ontario, because of all the viruses, colds etc., we anticipate that staff may have to be away and we want to ensure we always have student support in place. We are hoping to add several more teachers and EAs to our TCS supply list.
For Educational Assistants/Personal Support Workers: Resumes should include certificates or recent experience with two educational references and one spiritual reference.
For Supply Teachers: Resumes should also include certification and experience along with two educational references and one spiritual reference.

We also have started a 'non-certified' list of educators for those who have had a teaching certificate in the past or have experience that we might use if we are not able to secure a certified candidate to replace an EA for a day. These may be quality candidates who let their teaching certificate lapse or were certified in other provinces. Of course, we only hire candidates who are Christians and who support and fit into our school vision statement.

Pizza Day: THIS Friday, January 28th
