EQUIP Worldview Conference....

Elizabeth Urbanowicz is coming to us all the way from sunny Florida for the Equip Worldview Conference. Elizabeth is a former teacher who has written the Foundation Worldview Curriculum series. She holds two masters degrees: a M.S.Ed. from Illinois University in Literacy Education, and a M.A. in Christian Apologetics from Biola University. Her goal is to prepare the next generation to be lifelong critical thinkers and, most importantly, lifelong disciples of Jesus Christ. Being a former elementary teacher, Elizabeth has a unique perspective and understanding of the challenges our children are facing, and how we can help equip them to meet those challenges and thrive as Christ-followers. She writes curriculum for students in kindergarten all the way up to high school, and is thus able to provide insight as to how to best prepare students of *all ages* to learn to think about the messages they are hearing from the world around them and discern truth. Come ask Elizabeth your questions and listen to her speak at the Equip Worldview Conference on Saturday, April 1!
