Spring Market – Team Leads Needed! | Saturday, May 30

We are looking for strong, dependable team leads to oversee key areas. Each lead will be supported by the Spring Market Coordinator, will have a volunteer team assigned, and will receive guidance every step of the way. *We are currently seeking leaders for these FOUR areas:*

Workshop Coordinator

Ideal for an organized, big-picture thinker who enjoys ideas, planning, and connecting people. Responsibilities include scheduling workshops, mapping out where each will take place within the school, ensuring leaders have the supplies and support they need, and creating a clear, well-run plan so each workshop runs smoothly on event day.

Vendor Market Lead

A great fit if you enjoy communication and relationship-building. You'll coordinate vendor applications, map out booth placements, and ensure vendors feel welcomed, informed, and supported.

Marketing & Sponsorship Lead

For a creative, organized leader who enjoys both strategy and presentation. Responsibilities include coordinating marketing ahead of the event through social media, email communications, posters, radio mentions, and other outreach, designing and organizing signage and décor, and reaching out to businesses or families to secure sponsorships. This role plays a key part in building visibility, support, and momentum for one of our most important fundraising events.

Junior Maker Market Lead

This role is ideal if you love mentoring, organization, and cheering students on as they develop confidence and creativity. The Junior Maker Market Lead oversees our **Student Entrepreneurship Contest**, which invites students to design a simple business plan and compete for the opportunity to sell their products at the Spring Market. Responsibilities include coordinating contest details and timelines, overseeing the application process, communicating deadlines to families, and working with staff to ensure submissions are reviewed and winners are announced on time.
