Spring Market – Team Leads Needed! | Saturday, May 30

Our Spring Market is the second-largest fundraiser of the year and a crucial contributor to our overall school budget, and it is also one of the most joyful, community-building days we host—full of families, vendors, food, learning, and shared purpose.

We are looking for strong, dependable team leads to oversee key areas. Each lead will be supported by the Spring Market Coordinator, will have a volunteer team assigned, and will receive guidance every step of the way. If you love organizing, leading, and bringing people together, this is a meaningful way to serve—and an opportunity to use your strengths to truly impact our school. *We are currently seeking leaders for these SIX areas:*

Volunteer Management Lead

A wonderful role for the big-picture organizer who thrives with spreadsheets, schedules, and structured planning. This role is ideal for someone who may not want tons of one-on-one interaction but excels at looking at the overall event needs, assigning roles, tracking volunteer coverage, and using data to ensure each area of the market runs smoothly.

Workshop Coordinator

Ideal for an organized, big-picture thinker who enjoys ideas, planning, and connecting people. You'll brainstorm and select engaging workshop ideas, recruit and coordinate workshop leaders/teachers, and serve as the main point of contact for those leaders. Responsibilities include scheduling workshops, mapping out where each will take place within the school, ensuring leaders have the supplies and support they need, and creating a clear, well-run plan so each workshop runs smoothly on event day.

Vendor Market Lead

A great fit if you enjoy communication and relationship-building. You'll coordinate vendor applications, map out booth placements, and ensure vendors feel welcomed, informed, and supported. This person helps establish the strong, lively market atmosphere that makes the event such a favourite in our community.

Pancake Breakfast Lead

Perfect for someone who is energetic, calm under pressure, loves hospitality, and can keep a kitchen team humming! You'll oversee supplies, simple food prep, and coordinate a cheerful crew of volunteer cooks and servers.

Marketing & Sponsorship Lead

For a creative, organized leader who enjoys both strategy and presentation. This role oversees promoting the Spring Market, shaping its visual look and feel, and helping secure event sponsors who support our school and its mission. Responsibilities include coordinating marketing ahead of the event through social media, email communications, posters, radio mentions, and other outreach, designing and organizing signage and décor, and reaching out to businesses or families to secure sponsorships. This role plays a key part in building visibility, support, and momentum for one of our most important fundraising events.

Junior Maker Market Lead

(Student Entrepreneurship Contest) This role is ideal if you love mentoring, organization, and cheering students on as they develop confidence and creativity. The Junior Maker Market Lead oversees our **Student Entrepreneurship Contest**, which invites students to design a simple business plan and compete for the opportunity to sell their products at the Spring Market. You'll manage the **structure and flow of the contest**(not teach/judge content). Responsibilities include coordinating contest details and timelines, overseeing the application process, communicating deadlines to families, and working with staff to ensure submissions are reviewed and winners are announced on time.

Interested? Apply TODAY!

Email DeannaFaris7@gmail.com to express interest or ask questions.

An initial planning meeting will take place the week of February 23.
